**Ngong Ping 360 – Some of the Angles – Paul Grigg**  
**22 May 2006, Monday**

**Mr. Paul Grigg (Senior Design Management Engineer)** of MTR will provide an overview of this important project showcasing it's diversity and providing insights into it's features and lessons learnt.

"The Tung Chung Cable Car Project, now being marketed as Ngong Ping 360, is a major initiative by MTR that is a key feature of the Hong Kong Tourism Board's current campaign "2006 - Discover Hong Kong Year".

An innovative area of business for MTR, that has been conceived and designed to be a Hong Kong icon, it is an unique project globally in terms of scale and content. It has also been faced with unusual challenges for which innovative solutions in procurement, management, design and construction have been trialed.

**Venue:** 9/F Staff Restaurant, City University, Kowloon Tong

**Date:** 22 May 2006, Monday

**Time:** 6:00 pm for a prompt start at 6:30 pm
