April Function :
Turning Crisis into Opportunity : LRV Broken Wheel
Presented By Tony Lee (KCRC)
Monday 11th April 2005

Mr. Tony Lee, Rolling Stock Design & System Engineering Manager - of KCR Corporation will give a talk on " Turning Crisis into Opportunity: LRV Broken Wheel ".

Tony is the head of the Rolling Stock Design & Systems Engineering Section in KCRC, responsible for the design and systems engineering matters of the rolling stock & relation plants. On 10 September 2004 early, there was a LRV wheel tyre breakage incident happened leading to derailment. It aroused great concern from the public and stakeholders on the running integrity of the LRV.

In his talk, Tony will give details of the investigation to the incident and measures so taken in tackling the situation, and how the engineering team turns this crisis into an opportunity for better service and business.

Venue : 9/F Staff Restaurant, City University, Kowloon Tong
