May Function : (Chinese Talk) SZM Phase 1 Commissioning Tuesday 03rd May 2005

Mr. Louis Yan Hin LEE, Director of Railways of Parsons Brinckerhoff (Asia) Ltd give a talk on “ Shenzhen Metro Phase 1 Commissioning “.

On 28 December 2004, the Shenzhen Metro Co., Ltd celebrated the opening of the first metro system in the city,. Situated at the other side of the border with Hong Kong, Shenzhen was a tiny fishing village 30 years ago with a population of 350,000, but has now grown into a major city with a population of 5 million people.

Part of the system runs 17.12 kilometers east to west with 15 stations started from the immigration building at Luohu and the Kowloon Canton Railway (KCR) Station at the other side of the border. Another part of the system runs 4.48 km south to north with 5 stations which will also ultimately connect to another KCR station to be built at Lok Ma Chau.

PB was commissioned to advise and manage the final stage of the project. PB's responsibilities include system gap analysis, safety assessment, planning and management of system commissioning with technical support on site.
